

After Class 12: 37 career options, one free guide

education.zplys.ai explains every career option beyond doctor, engineer and CA: what you study, how you get in, what it costs and the work it leads to. It is free, needs no sign-up, and uses official data from JoSAA, MCC, NIRF and exam notices.

What students and parents can do on it

Career fit test. 26 quick questions, then the career options that suit a student best.

College Finder. Enter a JEE, NEET or other rank or score and see which colleges admitted at it last year.

Ask Raahi. An AI career guide that answers in English, Hindi or Hinglish.

My shortlist. Save options, see their exam dates in order, and share the list with family on WhatsApp.

What each Class 12 stream opens

PCM

20

open, 11 vary by college

PCB

22

open, 3 with a condition, 11 vary by college

Commerce

11

open, 3 with a condition, 11 vary by college

Humanities

11

open, 3 with a condition, 11 vary by college

Using it with your students

- 1 Put the QR code on the screen at a parents' meeting or careers class.
- 2 Ask students to take the fit test, save three options, and send the shortlist home.
- 3 For students worried about NEET or JEE, share the pages on what stays open without them.

Useful pages to share: education.zplys.ai/fit-test, education.zplys.ai/tools/college-finder, education.zplys.ai/plan-b/neet and education.zplys.ai/plan-b/jee.

Every career option and the entrance it needs
